Travel Protection Plan

It's Time To Relax ...

Global Alert! is going places with You

Protect your travel investment

What if...

- 1) You must cancel or interrupt your Trip because you or someone in your immediate family unexpectedly becomes ill, injured or dies?
- 2) Your tour operator, airline or cruise line defaults or declares bankruptcy?
- 3) There is an act of terrorism?

Canceling or interrupting a Trip may cause you to lose some or all of your prepaid Trip expenses. With the Trip Cancellation/Interruption Benefit you are protected for covered medical reasons and many non-medical reasons as well (see Page 4 "Other Covered Events" definition for details).

Protect your personal belongings

What if... your baggage and personal possessions are lost, stolen or damaged while on your Trip?

Airlines accept only a limited liability for your checked baggage and do not cover your carry-on items. Cruise lines and hotels offer little or no coverage. Homeowners or renters insurance may have high deductibles.

With the Baggage Benefit, you are protected if your baggage or personal articles are lost, stolen, or damaged. Under Baggage Delay, you will be reimbursed for your purchase of necessities if your baggage is delayed for more than 12 hours.

Avoid costly travel medical expenses

What if... you are ill or injured during your Trip?

When medical emergencies arise away from home, travelers often find that their medical policies, HMO's, and PPO's provide little or no coverage for these expenses. For example, Medicare does not cover you outside the U.S. and Medicare Supplement policies offer limited or no protection.

Even policies that provide coverage for foreign medical expenses may not cover the emergency medical transport, escort expenses and similar charges that arise from a medical emergency.

The Medical Expense/Emergency Assistance Benefit reimburses you up to \$100,000 for your covered medical expenses; emergency dental expenses during your Trip; and evacuation expense for covered medical transportation. When necessary, major expenses can be paid directly to medical providers and medical transportation service providers.

Increase protection with Global Alert! "Extra"

Global Alert! "Extra" has been specially designed to provide additional protection to those persons who:

- 1) desire increased Emergency Evacuation Benefits when traveling (up to \$1,000,000 additional protection);

- 3) are renting a car while on vacation (\$25,000 Primary Rental Car Damage protection).
